SECTION 2
SCOPE OF SERVICES

2.1 Background:

Physicians bill an office visit (E&M) Evaluation and Management code for each patient encounter in their offices. There are 5 levels of visit for both “new patients” and for “established patients.” Virtually all payers base their payments to the hospital for these professional services based upon the E&M code assigned (exclusive of procedures). The service rendered and documented by the providers determine whether the level of service is a 1, 2, 3, 4, or 5 visit. In order to be paid appropriately, the services need to be well documented by both the physicians and the medical assistants (RN’s and mid-level providers if applicable) and the coders need to code based upon that documentation.

Our coding is scrutinized by insurance companies as well as regulatory (governmental) agencies and the implications of both under or over coding are great. Therefore, we seek to have a 3rd party (expert) review of our clinical documentation and coding that will benefit providers, coders, providers’ support staff, and management. The review will help ensure that the organization is paid appropriately for the services that are rendered as well as help ensure our compliance with State and Federal regulations.

2.2 Scope of Service:

The HOSPITAL employs 11.1 full-time equivalent physicians plus 3 Family Practice (FP) faculty and a FP nurse practitioner as noted below:

In addition, the HOSPITAL has 7 FP residents, with 4 new FP residents joining the Program in March, participating in its residency program under the supervision of the FP faculty. Management will provide the consultant with the E&M coding arrays for all of these providers, plus we will provide access to LSS remotely to enable the successful consultant to access the EMR on-line for each of the providers and allow the consultant to conduct its audit from its home office.
We would like the consultant to audit 20 charts per provider, auditing both the E&M codes as well as the procedure codes associated with the selected encounters. The consultant should provide a benchmark for the average coding array by medical specialty.

The chart audits should be completed by March 31, 2016 and the results of the audits should be communicated to stakeholders during an on-site visit in April 2016. It is expected that the consultant will meet with the following stakeholders to communicate the results of the audits:

- Each provider, individually, with clinic staff as deemed appropriate, 60-90 minutes each;
- In the case of the FP residents, the consultant can/should have a single group meeting with the residents, the Family Practice Nurse Practitioner, and the Director of the Residency Program & CMO, Ted Peskin, 60-90 minutes;
- Meet with both coders, the HIM Director, and the Clinic Operations Manager, 90-120 minutes; and
- Meet with Lisa Shiroma, Assistant Administrator; Joni Waltjen, Assistant Administrator; Joel Marcrum, Clinic Operations Manager; and Andy Rybolt, Interim CFO/Financial Consultant, 90 minutes.

The development of overly elaborate proposals and presentation material, not required and/or related to RFP requirements, is HIGHLY DISCOURAGED. This procedure will facilitate proposal evaluations.

3.2 COSTS FOR PROPOSAL PREPARATION

Any and all costs incurred in the development of proposals, (i.e. preparing and submitting, on-site product/service demonstrations, on-site visits, oral presentations, travel and lodging, etc.) shall be the sole responsibility of OFFEROR.

- The OFFEROR’S lack of responsibility and cooperation as shown by past work or services.
- The proposal shows any noncompliance with applicable law.
- The proposal is conditional, incomplete, or irregular in such a way as to make the proposal incomplete, indefinite, or ambiguous as to its meaning.
- The proposal has any provision reserving the right to accept or reject award, or to enter into a
contract pursuant to an award, or provisions contrary to those required in the solicitation.

- Proof of exclusion from participation in federal health care programs, as defined in the Social Security Act (section 1128 and 1128A), and other federal laws and regulations relating to health care.

“Proposal Submitted in Response to: RFP # HHSC FY16-0306”

An electronic copy may be e-mailed to the above e-mail address prior to the proposal due date and time and still be considered timely. However, the timeliness of the submittal will be determined by the time noted upon the Contract Manager’s opening of the e-mail as registered on our e-mail system. The hard copy original, containing original signatures and the electronic copy must be received by HHSC as soon as possible thereafter. As noted above, late proposals may be rejected.

Proposals shall not be opened publicly, but shall be opened in the presence of two or more procurement officials. The register of proposals and OFFERORS’ proposals shall be open to public inspection after the contract is executed by all parties.

OFFEROR shall request in writing the nondisclosure of designated trade secrets or other proprietary data to be confidential. Such data shall accompany the proposal and shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal. The proposals are subject to disclosure rules set forth in Chapter 92F, H.R.S. 5.2.1  PHASE - 1  EVALUATION OF MANDATORY REQUIREMENTS

The evaluation of the mandatory requirements, as listed below, shall be based upon a “Pass/ No Pass” basis. The purpose of this phase is to determine whether an OFFEROR’S proposal is sufficiently responsible and responsive to RFP requirements to permit a complete evaluation, i.e. responsible in terms of “Does the OFFEROR have the capability to perform fully the Scope of Services requirements”; and, “Were proposal documents, as identified below, received by HHSC and do they contain the required information?” Failure to meet any mandatory requirement may be grounds for deeming the proposal non-responsible, non-responsive or both and disqualification (“No Pass”) thereof.

5.4 EVALUATION SCORING SYSTEM

The maximum number of points available for scoring is one thousand (1000) per evaluator. The proposal receiving the highest number of points is considered statistically the best proposal and the best value to HHSC; and, will be recommended for award of contract, unless otherwise determined and justified by the evaluation committee.

The evaluation categories are assigned a value weight percentage, as determined by HHSC, totaling 100%. Each category will be rated between one (1) and ten (10), with ten being the highest (the best rating) by each member of the evaluation committee. The OFFEROR’S total score (see note below) will be determined by: a) multiplying the assigned weight value of each category by the numerical rating provided by the evaluation committee member to determine the score for each category; b) totaling the score for all categories of each evaluation committee member; and, c) totaling the score of all evaluators.

**Note:** In determining the total score, the OFFEROR’S price proposal with the lowest price will receive the highest available rating allocated to price. Each proposal that has a higher price than the lowest will have a lower rating for price. The points allocated to higher-priced proposals will be equal to the lowest proposal price multiplied by the maximum points available for price, divided by the higher proposal price.
SECTION 6

The CONTRACTOR shall ensure that the CONTRACTOR’S employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Agreement, and that all applicable licensing and operating requirements imposed or required under Federal, State or County law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied. Where the facility is accredited by The Joint Commission, CONTRACTOR agrees to meet any Joint Commission standards that are applicable to CONTRACTOR.

4. **CONTRACTOR EXCLUSION FROM FEDERAL PROGRAMS.**
   CONTRACTOR affirmatively states that it and none of its employees, agents or subcontractors performing services or providing goods pursuant to this Agreement are excluded from participation in federal health care programs, as defined in the Social Security Act (Section 1128 and 1128A), and other federal laws and regulations relating to health care. CONTRACTOR has an affirmative duty to verify the accuracy of this statement at least annually and to inform HHSC in the event it is discovered that it is no longer true. HHSC reserves the right to verify that the above statements are true and to immediately cancel this Agreement in the event they are not true.

5. **NONDISCRIMINATION.** No person performing work under this Agreement, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable Federal, State, or County law.

6. **CONFLICTS OF INTEREST.** The CONTRACTOR represents that neither the CONTRACTOR, nor any employees or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR’S performance under this Agreement.

7. **SUBCONTRACTS AND ASSIGNMENTS: CHANGE OF NAME.**
   a. No assignment without consent. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR’S duties, obligations, or interests under this Agreement
and no such assignment or subcontract shall be effective unless (1) the CONTRACTOR obtains the prior written consent of HHSC and (2) the CONTRACTOR’s assignee or subcontractor submits to HHSC a tax clearance certificate from the Director of Taxation, State of Hawaii, showing that all delinquent taxes, if any, levied or accrued under State law against the CONTRACTOR’s assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR’S right to compensation under this Agreement shall be effective unless and until the assignment is approved by HHSC.

b. Recognition of a successor in interest. When in the best interests of HHSC, a successor in interest may be recognized in an assignment agreement in which HHSC, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the “Assignee”) agree that:

(1) The Assignee assumes all of the CONTRACTOR’S obligations;

(2) The CONTRACTOR remains liable for all obligations under this Agreement but waives all rights under this Agreement as against HHSC; and

(3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

c. Change of name. When the CONTRACTOR asks to change the name under which it holds this Agreement with HHSC, the contract officer of the purchasing agency shall, upon receipt of a document acceptable or satisfactory to said officer indicating such change of name (for example, an amendment to the CONTRACTOR’S articles of incorporation), enter into an amendment to this Agreement with the CONTRACTOR to effect such a change of name. The amendment to this Agreement changing the CONTRACTOR’S name shall specifically indicate that no other terms or conditions of this Agreement are thereby changed.

8. INDEMNIFICATION AND DEFENSE. The CONTRACTOR shall defend, indemnify and hold harmless HHSC, the contracting facility and their directors, employees and agents from and against all liability, loss, damage, cost and expense, including all attorneys’ fees and costs, and all claims, suits and demands therefor, arising out of or resulting from any acts or omissions of the CONTRACTOR or the CONTRACTOR’S employees, officers, agents or subcontractors under this Agreement. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Agreement for any reason.

9. LIQUIDATED DAMAGES. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 11 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the HHSC the amount, if any, set forth in this Agreement per calendar day from the date set for cure until either (i) the HHSC reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR’S delay or nonperformance is excused under paragraph 11.d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR shall remain liable for damages caused other than by delay. This paragraph is of no force and effect unless the amount of liquidated damages is specified in the Agreement.

10. SUSPENSION OF AGREEMENT. HHSC reserves the right at any time and for any reason to suspend this Agreement for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.

a. Order to stop performance. The head of the purchasing agency may, by written order to the CONTRACTOR at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Agreement. This order shall be for a specified period of time not exceeding sixty (60) days unless the parties agree to a different period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Agreement at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any other period to which the parties shall have agreed, the head of the purchasing agency shall either:

(1) Cancel the stop performance order; or

(2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Agreement.

b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery or performance schedule or contract price, or both, and the Agreement shall be modified in writing accordingly, if:

(1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR’S cost properly allocable to, the performance of any part of this Agreement and

(2) The CONTRACTOR asserts a claim for such adjustment within thirty (30) days after the end of the period of performance stoppage provided that if the head of the purchasing agency decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Agreement.

c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.
d. **Adjustment of price.** Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provisions of this Agreement.

11. **TERMINATION FOR DEFAULT.**

   a. **Default.** If the CONTRACTOR refuses or fails to perform any of the provisions of this Agreement with such diligence as will ensure its completion within the time specified in this Agreement, or any extension thereof, or otherwise fails to timely satisfy the Agreement provisions, or commits any other substantial breach of this Agreement, the head of the purchasing agency may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the head of the purchasing agency, such officer may terminate the CONTRACTOR's right to proceed with the Agreement or such part of the Agreement as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part of the head of the purchasing agency may procure similar goods or services in a manner and upon the terms deemed appropriate.

   b. **CONTRACTOR'S duties.** Notwithstanding termination of the Agreement and subject to any directions from the head of the purchasing agency, the CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the CONTRACTOR in which the State or the HHSC has an interest.

   c. **Compensation.** Payment for completed goods and services delivered and accepted by the HHSC shall be at the price set forth in the Agreement. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the head of the purchasing agency. If the parties fail to agree, the head of the purchasing agency shall set an amount. The HHSC may withhold from amounts due the CONTRACTOR such sums as the head of the purchasing agency deems to be necessary to protect the HHSC against loss because of outstanding liens or claims and to reimburse the HHSC for the excess costs expected to be incurred by the HHSC in procuring similar goods and services.

   d. **Excuse for nonperformance or delayed performance.** The CONTRACTOR shall not be in default by reason of any failure in performance of this Agreement in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and failure arises out of causes such as; acts of God; acts of a Public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Agreement. Upon request of the CONTRACTOR, the head of the purchasing agency shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Agreement, the delivery schedule shall be revised accordingly, subject to the rights of the HHSC under this Agreement. As used in this paragraph the term "subcontractor means subcontractor at any tier.

   e. **Erroneous termination for default.** If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 11.d, “Excuse for nonperformance or delayed performance,” the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 12.

   f. **Additional rights and remedies.** The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Agreement.

12. **TERMINATION FOR CONVENIENCE BY HHSC.**

   a. **Termination for convenience of goods and services agreements.** Pursuant to applicable State law and regulations (including, but not limited to, Hawaii Revised Statutes (HRS) Chapters 103D and 103F, and Hawaii Administrative Rules (HAR) Title 3, Chapter 125, Section 3-125-21), the head of the purchasing agency may, when the interests of HHSC so require, terminate this Agreement in whole or in part, for the convenience of HHSC. HHSC shall give written notice of the termination to the CONTRACTOR specifying the part of the Agreement terminated and when such termination becomes effective. HHSC shall exercise its rights under this paragraph in good faith and only when circumstances subsequent to the signing of this Agreement are changed to the extent that continuation of the Agreement is not in the best interest of HHSC. Such termination shall not be arbitrary or capricious.

   b. **CONTRACTOR'S obligations.** The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance. The head of the purchasing agency may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to HHSC. The CONTRACTOR must still complete the performance not
terminated by the notice of termination and may incur obligations as necessary to do so.

c. **Right to goods and work product.** The head of the purchasing agency may require the CONTRACTOR to transfer title and deliver to HHSC in the manner and to the extent directed by the head of the purchasing agency:

1. Any completed goods or work product; and
2. The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called “manufacturing material”) as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Agreement; and
3. The CONTRACTOR shall, upon direction of the head of the purchasing agency, protect and preserve property in the possession of the CONTRACTOR in which the HHSC has an interest. If the head of the purchasing agency does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that HHSC has breached the Agreement by exercise of the termination for convenience provision.

d. **Compensation.**

1. The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the head of the purchasing agency may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 12d(3) below.
2. The head of the purchasing agency and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Agreement price plus settlement costs reduced by payments previously made by HHSC, the proceeds of any sales of supplies and manufacturing materials under subparagraph 12.c. and the Agreement price of the performance not terminated.
3. Absent complete agreement under subparagraph 12.d.(2) the head of the purchasing agency shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 12.d.(2) shall not duplicate payments under this subparagraph for the following:

   A. Contract prices for goods or services accepted under the Agreement;
   B. Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have been sustained a loss if the entire Agreement would have completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
   C. Subject to the prior approval of the Procurement Officer, costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 12.b. These costs must not include costs paid in accordance with subparagraph 12.d.(3)(B). Subcontractors shall be entitled to a markup of no more than ten per cent on direct costs incurred to the date of termination. These costs must not include costs paid in accordance with subparagraph 12.d.(3)(B).
   D. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the total Agreement price reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 12.c. and the Agreement price of performance not terminated.

13. **CHANGE ORDERS TO GOODS AND SERVICES AGREEMENTS.** A change order is a written order signed by the head of the purchasing agency, directing the CONTRACTOR to make changes which the below “change clause” authorizes the head of the purchasing agency to order without the consent of the CONTRACTOR. a. **Changes Clause.**

1. Generally. By written order, at any time, and without notice to any surety, the head of the purchasing agency may, unilaterally, order of the CONTRACTOR:

   A. Changes in the work within the scope of the contract; and
   B. Changes in the time of performance of the contract that do not alter the scope of the contract work.

2. **Adjustments of price or time for performance.** If any change order increases or decreases the CONTRACTOR’S cost of, or the time required for, performance of any part of the work under this contract, an adjustment shall be made and the contract modified in writing accordingly.

   A. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the Price Adjustment Clause of this Agreement. Failure of the parties to agree to an adjustment in contract price shall be resolved in accordance with the Price Adjustment Clause.
   B. Failure of the parties to agree to an adjustment in time shall not excuse
the CONTRACTOR from proceeding with the contract as changed, provided that the head of the purchasing agency or designee, within fourteen days after the changed work commences, makes the provisional adjustments in time as the head of the purchasing agency deems reasonable.

The right of the CONTRACTOR to dispute the contract price or time required for performance or both shall not be waived by its performing the work, provided however, that it follows the written notice requirements for disputes and claims established by the Agreement.

(3) Time period for claim. Except as may be provided otherwise by section 103D-501(b), HRS, the CONTRACTOR must file a written claim disputing the contract price or time provided in a change order within ten days after receipt of a written change order, unless such period for filing is extended by the head of the purchasing agency in writing. The requirement for filing a timely written claim cannot be waived and shall be a condition precedent to the assertion of a claim.

(4) Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if the claim is not received by the head of the purchasing agency prior to final payment under this contract.

Other claims not barred. In the absence of such a change order, nothing in this clause shall be deemed to restrict the CONTRACTOR’S right to pursue a claim under the contract or for breach of contract.

14. MODIFICATIONS OF AGREEMENT.
   a. In writing. Any modification, alteration, amendment, change or extension of any term, provision or condition of this Agreement shall be made by written amendment to this Agreement and all appropriate adjustments signed by the CONTRACTOR and HHSC. Change orders shall be made in accordance with paragraph 13 herein. Notice to any surety is not required.

   Modifications may include any one or more of the following:
   (1) Drawings, designs, or specifications, for the goods to be furnished;
   (2) Method of shipment or packing;
   (3) Place of delivery;
   (4) Description of services to be performed;
   (5) Time of performance (i.e., hours of the day, days of the week, etc.);
   (6) Place of performance of the services; or
   (7) Other provisions of the contract accomplished by mutual action of the parties to the contract.

   b. No oral modification. No oral modification, alteration, amendment, change or extension of any term, provision or condition of this Agreement shall be permitted or acknowledged.

   c. Adjustment of price or time for performance. If any modification increases or decreases the CONTRACTOR’S cost of, or the time required for, performance of any part of the work under this Agreement, an adjustment shall be made and this Agreement modified in writing accordingly. Any adjustment in price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Agreement or as negotiated.

   d. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Agreement and the claim are not made prior to final payment under this Agreement.

   e. Other claims not barred. In the absence of a written modification to the Agreement, nothing in this clause shall be deemed to restrict the CONTRACTOR’S right to pursue a claim under this Agreement or for a breach of contract.

   f. Head of purchasing agency approval. If this is a professional services agreement awarded pursuant to Section 103D-304, HRS, any modification, alteration, amendment, change or extension of any term, provision or extension of this Agreement which increases the amount payable to the CONTRACTOR by at least $25,000.00 and ten per cent (10%) of the initial contract price must receive the prior approval of the head of the purchasing agency.

   g. Tax clearance. HHSC may, at its discretion, require the CONTRACTOR to submit to HHSC, prior to HHSC’s approval of any modification, alteration, amendment, change or extension of any term, provision or condition of the Agreement, a tax clearance from the Director of Taxation, State of Hawaii, showing that all delinquent taxes, if any, levied or accrued against the CONTRACTOR have been paid.

   h. Sole source agreements. Amendments to sole source agreements that would change the original scope of the agreement may only be made with the approval of the head of the purchasing agency. Annual renewal of a sole source agreement for services shall not be submitted as an amendment.

15. VARIATIONS IN QUANTITY FOR DEFINITE QUANTITY AGREEMENTS. Upon the agreement of HHSC and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in the Agreement, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the head of the purchasing agency may make a written determination that such an increase will either be more economical than awarding another Agreement or that it would not be practical to award another agreement.

16. VARIATIONS IN QUANTITY FOR INDEFINITE QUANTITY AGREEMENTS. When an Agreement provides for indefinite goods and/or services the Agreement should state:
   a. The minimum quantity, if any, HHSC is obligated to order and the CONTRACTOR is to provide.
   b. Whether there is a quantity that HHSC expects to order and how this quantity relates to any minimum or maximum quantities that may be ordered under the Agreement.
   c. Any maximum quantity HHSC may order and the CONTRACTOR must provide.
   d. Whether HHSC is obligated to order its actual requirements under the Agreement, or in the case of a
multiple award as defined in Section 3-122-145, HAR, that HHSC will order its actual requirements from the contractors under the multiple award subject to any minimum or maximum quantity stated.

17. PRICE ADJUSTMENT.

a. Price adjustment. Any adjustment in the Agreement price pursuant to a provision in this Agreement shall be made in one or more of the following ways:
   (1) By agreement on a fixed price adjustment before commencement of the pertinent performance;
   (2) By unit prices specified in the Agreement or subsequently agreed upon before commencement of the pertinent performance;
   (3) By the costs attributable to the events or situations covered by the provision, plus appropriate profit or fee, as specified in the Agreement or subsequently agreed upon before commencement of the pertinent performance;
   (4) In such other manner as the parties may mutually agree upon before commencement of the pertinent performance; or
   (5) In the absence of agreement between the parties, the adjustment shall be made pursuant to 103D-501(b)(5), Hawaii Revised Statutes.

b. Submission of cost or pricing data. The CONTRACTOR shall be required to submit cost or pricing data if any adjustment in contract price is subject to the provisions of section 103D-312, HRS. The submission of any cost or pricing data shall be made for any price adjustment subject to the provisions of subchapter 15, chapter 3-122. A fully executed change order or other document permitting billing for the adjustment in price under any method listed in paragraph (a)(1) through (a)(4) shall be issued within ten days after agreement on the method of adjustment.

18. CLAIMS BASED ON THE HEAD OF THE PURCHASING AGENCY’S ACTIONS OR OMISSIONS.

a. Change in scope. If any action or omission on the part of the head of the purchasing agency (which term includes the designee of such officer) requiring performance changes within the scope of the Agreement constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages or an extension of time in connection with such changes:
   (1) Written notice required. The CONTRACTOR shall give written notice to the head of the purchasing agency:
      (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;
      (B) Written thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance or
   (C) Within such further time as may be allowed by the head of the purchasing agency in writing.

   (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages or an extension of time. The Head of the Purchasing Agency, upon receipt of such a notice, may rescind such action, remedy such omission or take such other steps as may be deemed advisable.

   (3) Basis must be explained. The notice required by subparagraph 18a(1) must describe as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages or an extension of time may be remedies to which the CONTRACTOR is entitled; and

   (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the head of the purchasing agency within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to HHSC, justifying the claimed additional costs or an extension of time in connection with such changes.

b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any State officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Agreement.

c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provisions of the Agreement and these General Conditions.

19. COST AND EXPENSES. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Agreement shall be subject to the following guidelines:

a. Reimbursement for air transportation shall be for actual cost or coach class airfare, whichever is less.

b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.

c. Unless prior written approval of the head of the purchasing agency is obtained, reimbursement for subsistence allowable (i.e., hotel and meals) shall be $145 per day, which consists of $85 for hotel and $60 for food, computed on quarter days. No other travel or living expense (e.g., tips, entertainment, alcohol, etc.) shall be reimbursed by HHSC, other than those items listed in subparagraphs a and b, above. Invoices shall document the days of travel by including the name of the traveler, itinerary, airfare receipt, hotel receipt, and ground transportation receipts. All travel must be pre-approved by the HHSC technical representative.
d. CONTRACTORS with an office located on the same island as the site of the services to be provided pursuant to this Agreement are not entitled to per diem or transportation expense reimbursement unless explicitly specified in the Agreement.

20. PAYMENT PROCEDURES; FINAL PAYMENT; TAX CLEARANCE.

a. Original invoices required. All payments under this Agreement shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Agreement have been performed by the CONTRACTOR according to the Agreement.

b. Payment only for work under contract. HHSC is not responsible to pay for work performed by CONTRACTOR or its subcontractors that is not in this Agreement and any amendments or change orders thereto. All CONTRACTORS must follow paragraph 14, Modifications of Agreement or paragraph 13, Change Orders to Goods and Services Agreements and must have proper authorization before performing work outside the original Agreement.

21. PROMPT PAYMENT OF SUBCONTRACTORS.

a. Generally. Any money paid to a CONTRACTOR shall be disbursed to subcontractors within ten days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes on which the procurement agency has withheld payment.

b. Final payment. Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten days after receipt of the money; provided that there are no bona fide disputes over the subcontractor’s performance under the subcontract.

c. Penalty. The procurement officer or the CONTRACTOR, as applicable, will be subject to a penalty of one and one-half per cent per month upon outstanding amounts due that were not timely paid by the responsible party under the following conditions. Where a subcontractor has provided evidence to the CONTRACTOR of satisfactorily completing all work under their subcontract and has provided a properly documented final payment request as described in paragraph (d), and:

(1) Has provided to the CONTRACTOR an acceptable performance and payment bond for the project executed by a surety company authorized to do business in the State, as provided in section 103-32.1, HRS; or

(2) The following has occurred:

(A) A period of ninety days after the day on which the last of the labor was done or performed and the last of the material was furnished or supplied has elapsed without written notice of a claim given to CONTRACTOR and the surety, as provided for in section 103D-324, HRS; and

(B) The subcontractor has provided to the CONTRACTOR, an acceptable release of retainage bond, executed by a surety company authorized to do business in the State, in an amount of not more than two times the amount being retained or withheld by the CONTRACTOR; any other bond acceptable to the CONTRACTOR; or any other form of mutually acceptable collateral, then, all sums retained or withheld from a subcontractor and otherwise due to the subcontractor for satisfactory performance under the subcontract shall be paid by the procurement officer to the CONTRACTOR and subsequently, upon receipt from the procurement officer, by the CONTRACTOR to the subcontractor within the applicable time periods specified in paragraph (b) and section 103-10, HRS. The penalty may be withheld from future payment due to the CONTRACTOR, if the CONTRACTOR was the responsible party. If a CONTRACTOR has violated paragraph (2) three or more times within two years of the first violation, the contractor shall be referred by the procurement officer to the contractor’s license board for action under section 444-17(14), HRS.

d. A properly documented final payment request from a subcontractor, as required by paragraph (c), shall include: (1) Substantiation of the amounts requested;

(2) A certification by the subcontractor, to the best of the subcontractor’s knowledge and belief, that:

(A) The amounts requested are only for performance in accordance with the specifications, terms, and conditions of the subcontract;

(C) The subcontractor has made payments due to its subcontractors and suppliers from previous payments received under the subcontract and will make timely payments from the proceeds of the payment covered by the certification, in accordance with their subcontract agreements and the requirements of this section; and

(D) The payment request does not include any amount that the subcontractor intends to withhold or retain from a subcontractor or supplier in accordance with the terms and conditions of their subcontract; and

(3) The submission of documentation confirming that all other terms and conditions required under the subcontract agreement have been fully satisfied.

The procurement officer shall return any final payment request that is defective to the CONTRACTOR within seven days after receipt, with a statement identifying the defect.

e. This section shall not be construed to impair the right of a CONTRACTOR or a subcontractor at any tier to negotiate and to include in their respective subcontracts provisions that provide for additional terms and conditions that are requested to be met before the subcontractor shall be entitled to receive final payment under paragraph (c); provided that any such payments withheld shall be withheld by the procurement officer.

22. CONFIDENTIALITY OF MATERIAL.

a. All material given to or made available to the CONTRACTOR by virtue of this Agreement, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be
disclosed to any individual or organization without the prior written approval of the HHSC. It is acknowledged and agreed that all of the trade secrets, business plans, marketing plans, know how, data, contracts, including this Agreement, documents, scientific and medical concepts, billing records, personnel records, medical records of any kind, and referral sources for existing or future services, products, operations, management, business, pricing, financial status, valuations, business plans, goals, strategies, objectives and agreements of HHSC and any of its facilities, affiliates or subsidiaries, and all patient information in any form, whether written, verbal or electronic are confidential ("Confidential Information"); provided, however, that Confidential Information, with the exception of patient information, shall not include information that is in the public domain.

b. All information, data, or other material provided by the CONTRACTOR to the HHSC is subject to the Uniform Information Practices Act, chapter 92F, HRS, as modified by chapter 323F, HRS.

23. CORPORATE COMPLIANCE PROGRAM. A description of the Corporate Compliance Program of HHSC, including orientation materials, is posted on the HHSC internet site (www.hhsc.org). The CONTRACTOR, by signing this contract, acknowledges that it has read said description, and that the CONTRACTOR knows of the fact and substance of the Corporate Compliance Program, which governs operations at all facilities of the HHSC. The CONTRACTOR understands and agrees that employees, agents, and contractors performing any services at any of the HHSC facilities shall be fully subject to such Corporate Compliance Program, as may be amended from time to time, as well as all federal program requirements and applicable policies and procedures of HHSC and its facilities. The Corporate Compliance Program requires periodic training, including an orientation program, of all people who provide financial, business office, personnel, coding, medical records information systems and clinical services in the facility. The CONTRACTOR agrees to cause its employees, agents and contractors who provide financial, business office, personnel, coding, medical records information systems and/or clinical services at any of the HHSC facilities to review the posted orientation materials and participate in any compliance training programs HHSC may require.

24. BUSINESS ASSOCIATE ADDENDUM.
